

" I am the Light of the world, he that followeth me shall not walk in darkness, but shall have the light of life." John 8:12

Prayer requests:

Pray that we will soon gather the remaining 23%!

Continue to pray for our coworkers: the Abbott family, Bernard and Bernice Dodeler, Tim and Elisabeth Knickerbocker.

Pray that more meetings will be scheduled and for those meetings to be fruitful!

Pray that churches we have visited in the past might reconsider our ministry and take us on!

Pray for Pastor Denis David in Thionville, France, who has been once again diagnosed with cancer, and doctors are powerless. Pastor David was one of the very first converts in Bernard and Bernice Dodeler's ministry. He's a close friend of my father and is a true example of a Christ-like life.

Continue to pray for a stronger dollar, which will help missionaries around the world! As of today, the exchange rate is **\$1.47** for €1.00

"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you"

2 Thessalonians 3:1

We pray and hope all is well for you and that you have had a blessed summer as we have. Even though these past two months have gone by quicker than we wanted, we certainly are grateful for what the Lord has accomplished. Although meetings were scarce this summer, the Lord still opened doors for us to visit new churches, present our ministry, and meet Christians who agreed to diligently pray for us.

In the coming weeks our travels will take us to South Carolina, Wisconsin, and Minnesota for several meetings and missions conferences. Please pray for safety on the road but also pray for the Lord to use us for His service and glory and for Him to touch the hearts of Christians for the great needs of the land often referred to as the "cemetery of missions."

Both Damaris and I as missionary kids have witnessed firsthand, in our parents' ministries, the importance and power of prayer, and are now experiencing it day by day in our own ministry. The necessity and effectiveness of prayer cannot be underestimated nor overestimated! The apostle Paul himself frequently asked the brethren to pray for him and for those accompanying him. As Paul needed those prayers all the more, so we need them. For us, deputation has been a long process

Did you know?

The region of Galatia in Asia Minor was a Gaul settlement, hence the name.

The Gauls had migrated east and south during the reign of Alexander the Great in the late 4th century BC, but he held them off and pushed them back towards the Danube. A couple of generations later, around 280 BC, the Gauls were on the move again, first settling in Thracia and then continuing south into Macedonia and Greece.

You might wonder who the Gauls are? Well they're none other than the ancestors of the French people.

Did you know?

The Mont Blanc mountain between France and Italy is the highest mountain in the Alps and in Western Europe. It rises at 15781ft above sea level. It is the third most visited natural site in the world. U.S. President Theodore Roosevelt led an expedition to its peak in 1886.

through which God has taught us many important spiritual lessons. Many ideas have also been gleaned in the many churches we have visited.

Praise the Lord we are now starting to see the end of it, and are praying that **April 2010** will be the date the Lord chooses to send us back to our home country where the immense needs of souls being saved, churches being founded, and young men trained for the ministry are greater than ever. We recently had our support level raised to **77%**, as three churches joined the ranks of the 27 other churches and 11 families who faithfully pray for us and support us financially. It is such a comfort and a source of strength to know that so many lift up their voices to our Lord and Savior for us. Please add to your prayers the following requests:

Pray for more laborers for the field of France!

We thank you for your faithfulness in praying for us. May the Lord continue to bless you and help us all to grow in His grace and knowledge.

In His service and in yours,
Jeremie, Damaris, and Adam Dodeler
